UNIFORM SHOP

Pulteney's new uniform

Since 2021, Pulteney has been working with students, parents, staff and subsequently with uniform supply companies to develop new directions for the School's uniform to reflect the high expectations of Pulteney and its community. The identified pillars to guide the process and selection of a suitable partner were quality, sustainability, price, function and image.

The design process spanned two years and involved students, staff, parents, the School Board, Executive, and leadership. Following the tender process, Pulteney engaged the services of Dobson's, a sustainable uniform designer, to create a wardrobe that is comfortable, stylish and eco-friendly. A comprehensive survey to the community highlighted key themes such as comfort, gender neutrality, and a sustainable approach, which played a significant role in shaping the new designs, as did feedback from stakeholder groups as sample pieces were unveiled.

The new uniform, rolling out from Term 1 2024, offers a modern mix-and-match wardrobe that emphasises flexibility, comfort and sustainability. Notably, it provides more options for girls, including pinafores, skirts, pants, and skorts, all designed with eco-friendly fabrics.

Uniform transition

The uniform transition period spans three years, beginning at the commencement of the 2024 school year and concluding at the end of Term 4, 2026. During this period, students may wear either the new uniform as depicted, or the old uniform. If your child attended Pulteney in 2023, they may continue to wear their uniform from last year.

Pulteney Grammar School Uniform Dress Code & Appearance

1. All students are to wear the school uniform correctly and adhere to the school dress code.
2. When dressing for sport the uniform as set down must be worn.
3. Hair is to be conservatively cut and must not fall across the eyes or below the collar. Hair below the collar. Shoulder length hair is to be tied back with ribbons, hair tie, or hair clips. There are to be no extremes of colour or length. Hair colour should be natural. Clipped cuts should be no shorter than a No. 2.
4. Girls' dresses and skirts should be no more than 3cm below or above mid-knee.
5. School shoes should be polished and in good repair.
6. Jewellery is not part of the school uniform and is not to be worn to school or to any school activity. Earrings may be worn with one small gold, pearl or silver stud or gold or silver sleeper in each ear lobe. Necklaces may not be worn unless of religious significance.
7. Make-up, nail polish and other adornments are not to be worn.
Facial hair is not accepted and therefore students should be cleaned shaved.

Pulteney outerwear and blazer requirements

At Pulteney Grammar School, blazers are mandatory when students wear the winter uniform, during Terms 2 and 3. The blazer should be worn to and from School every day as the primary outer garment. If additional warmth is needed, students may wear the optional woollen jumper or vest underneath their blazers. Other optional items such as the soft shell jacket, puffa jacket, and puffa vest should only be worn on School premises and are not to be considered official outerwear.

Blazers are required for all students from Years 1 to 12 during winter and must always be accompanied by a Pulteney tie when worn with the winter shirt.

In addition to daily wear during winter, blazers should also be worn at assemblies, official events, excursions (unless otherwise specified), and when students are outside of School in the formal uniform.

During Terms 1 and 4, when the summer uniform is worn, the blazer is to be worn to formal assemblies and official occasions as directed by the Principal. If the forecast for the day indicates a temperature of 30 degrees Celsius or higher, blazers need not be worn.

Uniform requirements

This uniform guide provides information about the requirements of the uniform from ELC to Year 12.

For information about the old uniform requirements, please visit the Uniform Shop page on the Parent Portal:
