Welcome to Summer Intercol 2026

"Intercollegiate sport brings out the very best in our students. We are proud to see our Schools compete with pride, respect, and sportsmanship."

As we commence our Summer Intercollegiate Cup, our two schools come together in the spirit of healthy competition. Our students are prepared and excited to represent their school with determination, pride, and sportsmanship.

I extend a warm welcome to Principal Ben Manifold and the St John's Grammar School community, and thank them for their ongoing partnership and support. I also warmly welcome our new Head of Sport, Jack Garrad, and acknowledge his leadership, along with his team, in creating meaningful and enriching sporting experiences for our students.

The success of the inaugural Winter Intercol highlighted the strong sense of sportsmanship, healthy rivalry, and school pride shared between our schools. It is a pleasure to come together once again for the Summer Cup and continue building on this positive tradition.

To the many families, spectators, and supporters who line the sidelines, your presence and encouragement play an important role in shaping the spirit of these fixtures and the values we model as a community.

Sport is an integral part of the Pulteney Grammar School experience. It fosters resilience, leadership, and teamwork, while providing our students with opportunities to represent their school with pride. Built on shared values, mutual respect, and a friendly rivalry, this collaboration reflects the very best of school sport, and we are excited to see it continue to flourish.

On behalf of Pulteney, I wish all players, coaches, and supporters from both schools every success in this inaugural Summer Intercollegiate Cup. Let the games begin.

Mr Greg Atterton

Principal, Pulteney Grammar School

"Sport unites our communities in shared purpose. We are proud to stand alongside Pulteney Grammar School as our partnership continues to grow through the spirit of competition."

As Principal of St John's Grammar School, it is my great pleasure to welcome students, staff, families, and supporters to this year's Summer Intercollegiate Competition with Pulteney Grammar School. I thank Mr Greg Atterton and his team for their support and collaboration to bring the Summer Intercol to fruition.

Following the success of last year's inaugural Winter competition, this event represents the strengthening of a valued partnership between our two schools – one grounded in shared values, mutual respect, and a genuine commitment to the holistic development of young people. It is immensely encouraging to see this tradition continue to grow, bringing our communities together through the unifying spirit of sport.

At St John's Grammar, we believe that participation in sport provides powerful opportunities for students to develop resilience, teamwork, discipline, and leadership. Intercollegiate competition adds an additional dimension, fostering healthy rivalry while reinforcing the importance of integrity, humility, and respect for opponents and officials alike.

Events such as this are made possible by the dedication of staff, coaches, referees, Parents & Friends, and by the enthusiastic support of families and spectators. Your presence and support contributes significantly to the positive atmosphere that defines these occasions and models the spirit in which school sport should be enjoyed.

To all competitors, I encourage you to play with courage, determination, and fairness, representing your school with pride while honouring the values we share. May this Summer Intercol be memorable for the quality of competition, the friendships strengthened, and the sportsmanship displayed throughout.

Mr Ben Manifold

Principal, St John's Grammar School
