

WEEK 10, TERM 2

YOU CHOOSE

MYTOP OUTCOMES: 1.4, 2.2, 2.3, 4.1, 5.2

OSHClympics

Get ready for the ultimate OSHClympics challenge! Children will take part in a variety of exciting Olympic-inspired events including relay races, target challenges, obstacle courses, and team games. This fun-filled activity encourages teamwork, perseverance, and sportsmanship while giving everyone the chance to challenge themselves and celebrate their achievements.

Chalk Drawing

Bring your imagination to life with Chalk Drawing! Children will have the opportunity to create colourful artwork, design games, draw murals, and work collaboratively with friends on outdoor masterpieces. This creative activity encourages self-expression, creativity, and teamwork while transforming our outdoor spaces into vibrant works of art.

Oragami

Fold, create, and imagine in our Origami activity! Children will learn the art of paper folding to create animals, flowers, planes, and other exciting designs. Whether following instructions or inventing their own creations, children will develop patience, problem-solving skills, and creativity while exploring this engaging art form.

Classroom games

Join us for an afternoon of classic Classroom Games! Children will enjoy a variety of fun group games such as Silent Ball, Four Corners, Heads Down Thumbs Up, and more. These games encourage teamwork, communication, and friendly competition while providing plenty of opportunities for laughter and social connection.
