

# WHAT'S THE gOSHC?

Reconciliation Week! MTOP Outcomes: 1.4, 2.2, 4.1, 4.3, 5.1 Week 6, Term 2

## OSHC Yarning Circles!

On Monday, we began our Reconciliation-themed week by coming together in yarning circles, inspired by traditional First Nations ways of learning and connecting. Sitting together, we shared stories, ideas, and experiences in a space that felt safe, respectful, and welcoming. It was a meaningful and exciting way to connect with one another while learning about the importance of storytelling and community.

## Dot Painting!

In a week full of learning new things and trying new ways of doing things, it was wonderful to return to something familiar; dot painting! Inspired by the beautiful storytelling traditions of First Nations peoples, we created our own dot paintings that reflected our ideas, experiences, and connections. It was a fun and engaging activity that allowed us to express ourselves through art and creativity.

## Buroinjin!

Buroinjin is a traditional Aboriginal ball game played by the Kabi Kabi people of Queensland. The game involves passing, dodging, quick thinking, and teamwork, combining elements of many of our favourite sports and games. At first, it felt a little intimidating for some of our OSHCies, but we were incredibly proud to see nearly everyone give it a go. In the end, it turned out to be an absolute blast, filled with laughter, teamwork, and lots of fun!
