

WEEK 2 TERM 3

GAMES WORLD!

MYTOP FOCUS: 1.4, 2.4, 3.1, 4.2, 5.2

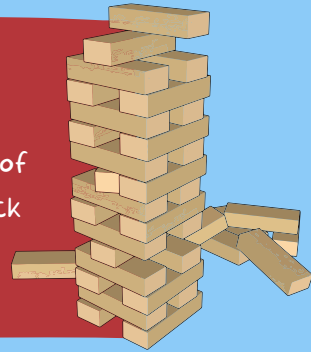

Hide n' Seek Mayhem!

Let's play a supersized game of Hide n' Seek - included as part of our Family Focus Initiative! Our whole OSHC community will have the opportunity to join in on a massive game around the school! Who can escape the sight of the sneaky seekers?

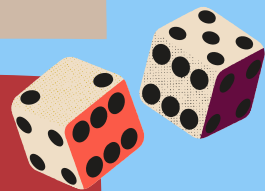

GIANT JENGA!

Let's test our balancing skills, strategies and stability in a classic game of jenga; except this time.....it's supersized! How tall can we stack our block tower before it topples over?!

Dice Art

Roll the dice and let luck inspire your creativity! Each roll determines what you add to your artwork, such as a colour, shape, pattern, or drawing prompt. Every picture will be unique, making this a fun and creative activity that encourages imagination, decision-making, and fine motor skills while showing that there is no right or wrong way to create art.

Create Your Own Board Game!

PLANNED ACTIVITY

OSHCies will be tapping into their inner game designer today as they attempt to develop and create their very own board game! Come up with your own theme, game rules, characters, special moves and more!
