Welcome

2026 Intercollegiate Cup

"The Winter Intercollegiate Cup is a wonderful celebration of spirited competition, camaraderie and the shared pride our students have in their schools"

We are delighted to welcome the St John's Grammar School community to Pulteney Grammar School for the 2026 Winter Intercollegiate Cup.

Following the Summer Intercol earlier this year, we are pleased to continue this new sporting tradition and bring our two school communities together. This event is an opportunity to celebrate competition, school spirit and the pride that comes from representing our schools.

While the competition will be spirited, the occasion is about more than what happens on the field. The energy of the crowds, encouragement of families and camaraderie between students come together to create an atmosphere of excitement, pride and school spirit that makes the Intercollegiate Cup such a highlight of the school calendar.

I sincerely thank Mr Ben Manifold and the St John's Grammar School community for embracing this partnership, along with the coaches, staff, officials, volunteers and families whose contribution makes the event possible.

To all competitors, enjoy the occasion, represent your school with pride and make the most of the opportunity to compete alongside your teammates and friends.

I look forward to another memorable Intercol as we continue to build a strong and lasting partnership between our two schools.

Mr Greg Atterton
Principal, Pulteney Grammar School

"To all competitors, compete with courage, determination and integrity...respect your opponents and officials, and embrace the opportunity to grow through competition."

Following the success of our inaugural Winter Intercol last year, it is a pleasure to once again come together with Pulteney Grammar School for what is quickly becoming a highly anticipated fixture on our school calendars.

Last year's competition was a wonderful celebration of school sport, with exciting and competitive games, enthusiastic crowds and a strong sense of pride from both school communities. Most importantly, it was characterised by sportsmanship, respect and a genuine spirit of friendly rivalry.

Events such as the Winter Intercol are made possible through the dedication of staff, coaches, officials, volunteers and Parents & Friends, alongside the enthusiastic support of families and spectators. I sincerely thank Mr Greg Atterton, Principal, and the Pulteney Grammar School community for their ongoing partnership in building this exciting tradition.

To all competitors, I encourage you to compete with courage, determination and integrity. Represent your school with pride, respect your opponents and officials, and embrace the opportunities that competition provides to develop resilience, teamwork, leadership and discipline.

Mr Ben Manifold
Principal, St John's Grammar School
