

WEEK 8 TERM 3

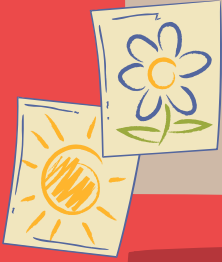

SHOW WEEK

LEARNING OUTCOMES: 1.2, 1.4, 2.1, 2.3, 3.1, 4.2

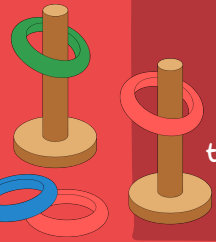

Show Art

Get creative and bring the Royal Adelaide Show to life! Children can design their own Show-inspired artwork featuring their favourite animals, rides, food, games or attractions. They can experiment with different materials and techniques while creating their own unique Show masterpiece.

Carnival Games

Step right up and test your skills at our very own OSHC Show Games! Children can try classic show-style challenges including ring toss, target throwing, knock-down cans and other fun games. They can challenge themselves, compete with friends and practise taking turns and playing fairly.

Animal Creation

Bring the Royal Adelaide Show animals to life! Children can create their own farm animals using craft materials, LEGO and recycled resources. They can choose their favourite animal, experiment with different materials and designs, and use their imagination to create something completely unique.
