Risk assessment					
Activity	**Hazard identified**	**Risk assessment (use matrix)**	**Elimination/control measures**	**Who**	**When**
Physical movement	Injury whilst participating in activities	Moderate	Children will be highly supervised by an Educator when participating and follow the safety instructions set out by the frisbee instructors. Children will be divided into small groups of 6-8 with one coach per group. Each group will then rotate through activities. Each educator will be appropriately first aid trained.	All Staff	Incursion times and throughout day.
Use of equipment	Injury from incorrect or irresponsible use of equipment	High	Children will be set clear expectations about when and how to use different sports equipment by educators and the frisbee academy. Equipment will be arranged in a safe manner.	All Staff Children	Incursion times and throughout day.
Walking to the parklands	Public Interaction	Moderate	All students will be supervised throughout the activity. Children will be set into groups with a staff member and make their way over the	All staff Children	At all times throughout the incursion.

			Pulteney bridge. Students will be counted and called off before we depart the OSHC factory. The same process will be repeated before walking over the bridge, and again once we have arrived at the parklands.
